But it's a game of perpetual motion, ever-changing, always new. So we are also about keeping you in the game. And it works. Fact is **95% of our Certified Members are currently employed** and **81% were promoted after earning their Certification.**

It's your turn next.

WHY CHOOSE CERTIFICATION?

Because it helps you look better,
travel better and play the long game.

Once upon a time digital marketing was a wild space, filled with great innovative people and some who simply talked a good game. But now, we've built a **Certification Framework** which helps real skills get recognized and rewarded. It's meaningful and it's working. Bluechip global brands, innovators, training companies and even universities in over 90 countries recognise and use Digital Marketing Institute's Certification Framework.

Your **DMI Certification**:

- Gives you the skills you need to speak loud and clear to the right audiences
- Tells the world what you know and what you can do - your **DMI Certification** acts like a magic key. Doors open
- Means you travel well between different opportunities and countries. It's your oyster
- Aligns with other qualification frameworks across the globe. Take that ball and run with it
- Gives you powers you may not yet even understand, yet whose awesome potential will reveal itself in new and startling ways throughout your career

WHO IS DMI ESSENTIALS FOR?

- Experienced professionals who've taken their vision as far as they can go without digital skills – and plan to fix that
- Entrepreneurs who want to be more entrepreneurial
- Inspired career changers
- Sales, Finance or HR professionals
- People who need to speak to people. All the big and relevant conversations are happening online. So too are the smaller, intimate but hugely important ones where the service experience happens

- Talented people who know that Certification makes doors open

DMI ESSENTIALS is for anyone who understands the importance of staying relevant; who knows the game has changed – and won't stop changing anytime soon. Digital has transformed customers' behavior too, so an understanding of key digital concepts is essential in reaching, engaging and retaining them. It's about taking back control, responding dynamically and creating change in your career and in your organisation

WHAT WILL I LEARN?

- How consumers think, feel and behave in this new digital age
- How does your brand work on digital? How to create a presence that people engage with
- Social media because we are social animals. How social means your brand travels further and better – and how to make it happen
- Social media as a new and terrific customer service channel
- The challenges, risks and reputational issues that affect organizations. How to take charge of your brand narrative and respond to challenges
- The digital mindset. A new way to achieve business goals
- All kinds of tech tools and clever tactics to create, implement and measure effective digital campaigns

MODULES OF TRANSFORMATION

The course only takes six hours but what you learn is all the key stuff. White-hot thought and practice. Tactics and techniques to make your business goals actionable. How to equip your team with digital superpowers. The six modules:

1. Foundations of Digital
2. Web and Email
3. Social Media
4. Social Customer Service
5. Challenges and Risks
6. The Digital Mindset

Module 1

FOUNDATIONS OF DIGITAL

The basic yet vital stuff. A study of consumers' behavior and expectations in today's fragmented, digital marketplace.

Explore the new consumer journey to purchase. Where are the opportunities for your brand? Here we talk about digital touchpoints, digital disruption and transformation – and what this means for you..

Module 2

WEB AND EMAIL

If you're not on the web you don't exist. Here we look at key web concepts and terminology, how to create an online presence and what works for your brand. Also, online advertising and the magical art of digital conversion.

The User Experience (UX) is all about bringing people where you want them to go – right to the relevant page – so we take you through the basics of good, simple but effective web design. Next up, ecommerce. Where does a humble email fit in the process and why is it (still) so important?

Module 3

SOCIAL MEDIA

Welcome to the hive mind of human consciousness, aka social media. It's where billions of people share thoughts, and your brand has a place here. This module gives you everything you need to claim it.

We look at the bigger platforms including LinkedIn, Facebook, Twitter, Instagram and Snapchat and explore what each is best at, and how brands look, feel and behave differently across the platforms – yet again, it's all about relevance. Then, a look at social advertising and how it allows for pinpoint targeting. And how social is the natural home of customer service.

Module 4

THE SOCIAL CUSTOMER SERVICE

Today's consumer is a different animal, a social animal. Social media gives you extraordinary tools to know and respond to this new animal - live chat, AI, listening reputation and more. Here you also get tactics, techniques, approaches, best practices and a full bag of customer-friendly digital tricks. There is a big conversation going on around your brand and your industry and you can subtly take back control. Explore online complaints handling, reporting mechanisms, negative feedback and reviews. Social media gives you power to manage your brand like never before. Step up and claim it.

Module 5

THE CHALLENGES AND RISKS

Digital is a big, wide wonderful world but it's not without a few risks. This one covers data protection, cyber-security, identity theft, malware and hacking. Also, the less definable but equally disruptive reputational issues that social exposes us to. It's all about some careful prep - risk mitigation (internal and external), data protection, contingency planning and readiness to respond. And all that important regulatory stuff – laws and guideline, GDPR, data security and collection.

Module 6

THE DIGITAL MINDSET

Digital is fast, responsive, agile and cool. But do not be fooled. Behind that sleek and shiny screen works sharp business intelligence, enabled by commercial superpowers.

Data analytics and pinpoint targeting means you can create actionable business plans like never before. Here we look at S.M.A.R.T (Specific, Measurable, Achievable, Relevant, Timely) business goals and the importance of Key Performance Indicators (KPIs). The Digital Mindset means you think digital first. And why wouldn't you? You can reach the whole world through your screen. What will you do with all that power?

“ DMI MEMBER STORIES

“Between the **DMI ESSENTIALS** management team, comprehensive learning content and weekly blogs on the Digital Marketing Institute website, I felt that my learning experience was very well supported overall.”

Anna Moldovan, Google

“I had heard a lot of reviews from people in the industry about the benefits of being a **DMI Member**. Additionally, the chance to learn from the very tenured lecturers that they have on staff was the main draw for me.”

Kelly Herbst, Hubspot

HOW WILL I LEARN?

We live our promise of new and relevant. ‘No point learning new stuff in tired old formats’ - our clever new Learning Platform is what they talk about when they talk about immersive. The user experience is smooth, seamless and all about you. Let it make you smart and happy on desktop, mobile or tablet.

Here’s how the latest version walks the talk on new:

- Short courses called **DMI SPRINTS** (Analytics, Content Marketing, GDPR, UX Essentials, CX Essentials, Graphic Design). They’re called sprints because this is efficient learning that takes you where you want to go - fast
- Up to 60% more learning interactions
- Bite-sized lessons (10-20 minutes)

But that’s not all. We have also created a 360 degree learning environment for you, which we call **MYDMI**.

Our immersive learning platform **MYDMI**

CERTIFICATION AND BEYOND

The course ends. Your new life begins.

But first comes **The Test**. Yes, it's an assessment but not as you know it. **The Test** is punchy, focussed and dynamic. It happens via a screen (of course). Questions come in different formats including text-based multiple choice; image-based multiple choice, matching and hot spot questions. We use the *Pearson VUE* test center network which has over 5,200 centers in 180 countries.

You can take **The Test** anywhere in the world; everybody gets the same experience. It lasts 60 minutes, and afterwards (fingers crossed) you are never quite the same. You are a new kind of marketer, a **DMI Certified** digital animal ready to thrive in the digital jungle. What's more, your slick new **DMI Certification** works as a virtual passport. It looks sharp and is recognised at the door of (just about) all the best opportunities. That's because it comes with true authority.

LEADERSHIP AND STANDARDS ASSURED

The industry recognises what DMI does because we work with the best people and we're helping to move the whole industry forward. We have created a 27 person panel of diverse influencers, thought leaders, tech gurus and C-suite change-makers called the **Global Industry Advisory Champions**.

We work with them year-round to deliver better – sharper products; a clearer, more meaningful Roadmap. And they develop hot content and webinars exclusively for **DMI Members**. For you.
